

STUDENT TOOL

AI Governance Scorecard

Evaluate one specific AI use - not AI in general

Score each dimension from 0 to 3 and support every score with evidence.

0 = unacceptable or no evidence | 1 = substantial weakness | 2 = acceptable with conditions | 3 = strong public value

Technology or capability**User, age/grade, setting, and purpose****Who has authority to decide?**

1. Human learning

Does the use strengthen thinking, creation, judgment, and productive struggle rather than substitute for them?

SCORE: [0] [1] [2] [3]

Evidence and required conditions

2. Human relationships

Does it preserve or deepen meaningful relationships among students, educators, families, and communities?

SCORE: [0] [1] [2] [3]

Evidence and required conditions

3. Privacy and safety

Is data minimized, protected, understandable, and governed with meaningful consent and recourse?

SCORE: [0] [1] [2] [3]

Evidence and required conditions

4. Equity and access

Does it reduce rather than reproduce disparities in access, disability support, language, discipline, and opportunity?

SCORE: [0] [1] [2] [3]

Evidence and required conditions

5. Student and educator agency

Can users understand, question, refuse, appeal, and help shape the system?

SCORE: [0][1][2][3]

Evidence and required conditions

6. Ownership and economic value

Who owns the data, model, intellectual property, and value? Does the arrangement build public or community capability?

SCORE: [0][1][2][3]

Evidence and required conditions

7. Accountability and reversibility

Are responsibility, monitoring, independent review, redress, and an exit path clear?

SCORE: [0][1][2][3]

Evidence and required conditions

8. Public value

Is the use solving a demonstrated educational problem at a defensible cost, including opportunity cost?

SCORE: [0][1][2][3]

Evidence and required conditions

MAKE THE DECISION

Choose one: ☐ Prohibit for now ☐ Permit only as a bounded experiment ☐ Permit with conditions ☐ Adopt and expand with continued review

Required conditions**Evidence still missing****Who must approve and when should this be reviewed?****Minority or dissenting position**

TOTAL SCORE: _____ / 24
